

How to Join the Negotiation and Mediation Courses

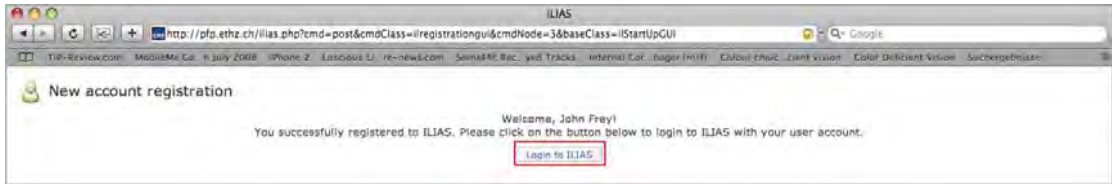

1. Select "New account registration" button in log-in screen (for new ILIAS LMS users)

→ A "New account registration" form appears

2. Fill in the "New account registration" form and select "Register" button

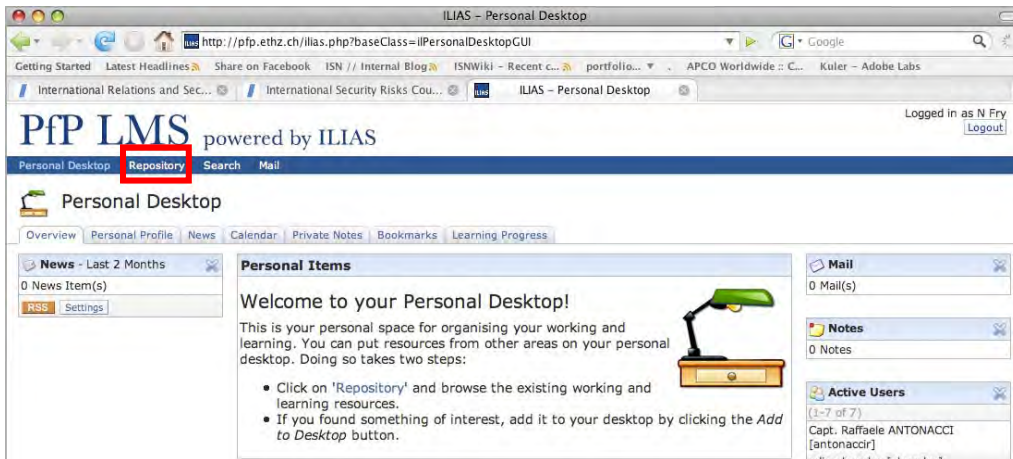

→ A welcome screen appears

3. Select "Login to ILIAS"

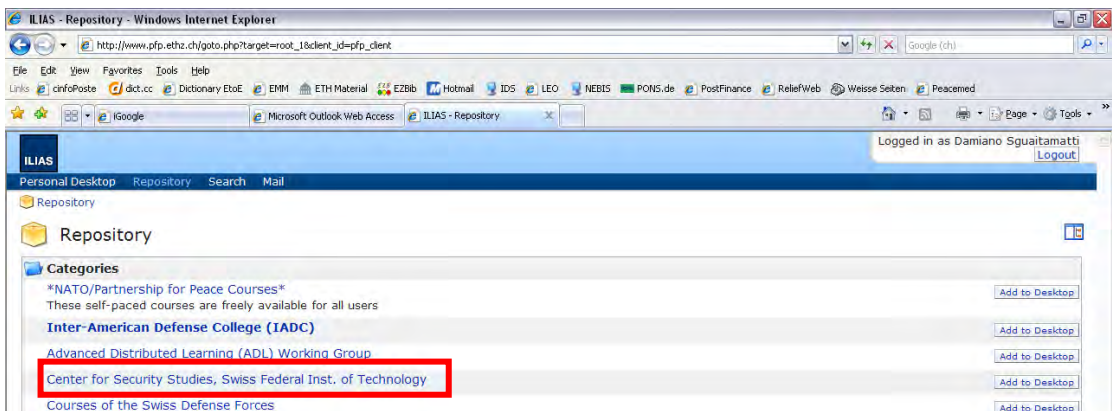

→ A "Personal Desktop" screen appears

4. Select "Repository" tab at the top of the screen

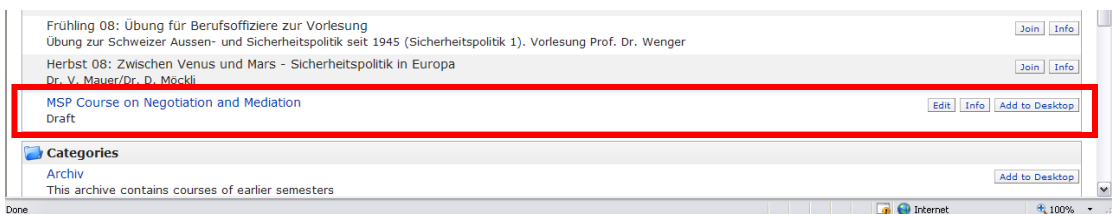

→ A "Repository" screen appears with a list of course categories

5. Select item "Center for Security Studies, Swiss Federal Inst. of Technology"

→ A "Center for Security Studies, Swiss Federal Inst. of Technology" screen appears

6. Select "Add to Desktop" button of desired course

→ A "Course Registration" screen with further course information appears.

7. Please insert the password you received via email ("mspnego") and join the course.

→ A system message "You have joined the course" appears.

8. Select "Personal desktop" tab at the top of screen

→ The Negotiations and Mediation course now appears on your personal desktop.

9. Click on the course title. Both modules (Negotiation and Mediation) appear on the screen. You may now start with either of them.
